WHY IS IT IMPORTANT?

Prepared for the Standing Committee on Finance

January 2019

About ONN

The Ontario Nonprofit Network (ONN) is the independent nonprofit network for the 58,000 nonprofits and charities in Ontario, focused on policy, advocacy, and services to strengthen Ontario's nonprofit sector as a key pillar of our society and economy. ONN works to create a public policy environment that allows nonprofits and charities to thrive. We engage our network of diverse nonprofit organizations across Ontario to work together on issues affecting the sector, and channel the voices of our network to government, funders, and other stakeholders. Our work is guided by the vision that a strong nonprofit sector leads to thriving communities, and in turn, a dynamic province.

YOUR BUDGET ASKS

HOW TO DEVELOP YOUR ASKS
